Fall City Community Info event / Fall City Day planning

Lifetime member Janet Ewing with her pioneer grandmother, Nancy Moore.

We enjoyed visiting with many community folks on March 11th at the Fall City Library.

Our Fall City Day display and next year's calendar will feature **THE HOPS CRAZE** in Western Washington.

Board member Donna Driver-Kummen talks with two young ladies about one of the "What is it?" items on display.

SPECIAL THANKS THIS MONTH TO:

- Terri Divers, for pointing out an error in our Model Garage sign! The next best thing to not making errors is finding out about them early in the process. Much appreciated.
- Scott Massey, for responding to our request for help with Excel database projects. Scott has taken on our membership list, mailing list, and monthly email list...they are in good hands!
- John Meier, President of Employer Resources Northwest, for donating a great laptop and additional large screen monitor for our office. And to Karen and Oscar Granger of North Bend for their kind facilitation of the donation and delivery of the equipment. What a great addition to our IT tools!

Coming on May 10th

Participating in the **GiveBIG** fundraising day sponsored each May by **Seattle Foundation** has become an annual event for us. We appreciate the opportunity to invite community members to support our work with an easy online donation, with the added benefit of supplementary funds from **Seattle Foundation**. More information will be sent out later in April and in early May.

This year we will be earmarking all GiveBIG donations for our Historical Signs Project.
