STRETCH YOUR DONATIONS ON MAY 6

The Seattle Foundation

give
BIG

The Fall City Historical Society is honored again this year to be among the nonprofit groups that are profiled on the Seattle Foundation website and eligible to participate in their annual GiveBIG Day on May 6. The Seattle Foundation has worked with donors for over 60 years, offering guidance and mechanisms for effective community support. On GiveBIG Day, nonprofit donations received through their website are “stretched” with foundation funds, increasing the value of your donation.

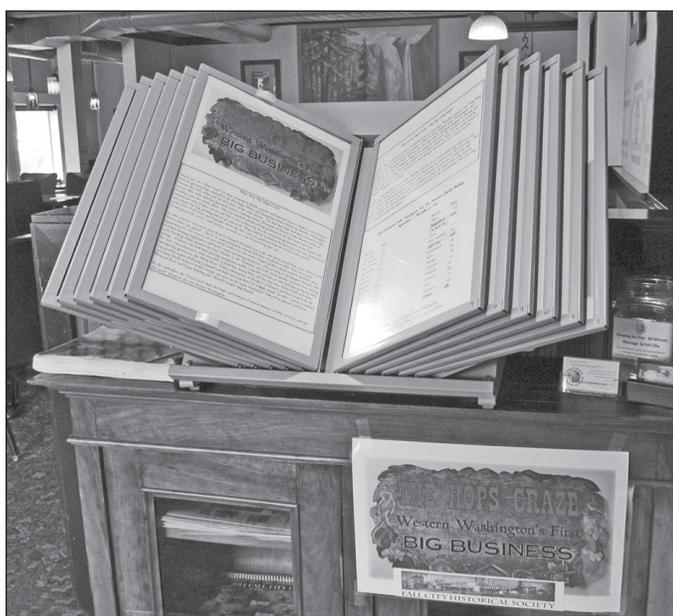

The address to reach our profile page is *seattlefoundation.org/npos/Pages/FallCityHistoricalSociety.aspx*. Or simply go to *seattlefoundation.org*, click on “Giving Center” at the top of the page, and then enter “Fall City Historical” in the search box. This will take you to our profile. When you are ready to make a donation, choose “Make a credit card donation”

under the red “Donate Now” button. At the bottom of the donation screen there is a “Comments” box, where you can note details about your donation: if it is for a membership, a memorial donation, etc.

An added bonus: If you donate through GiveBIG on May 6, you could be randomly selected for a Golden Ticket that wins you a \$100 Starbucks gift card and gives us an extra \$1,000 from the Seattle Foundation and other sponsors.

Remember, **donations must be made online on Tuesday, May 6**, to be eligible for stretch funds.

Snoqualmie Valley Museum's *History Magazine*

Since 2008, the Snoqualmie Valley Historical Museum has published a 28-page yearly *Snoqualmie Valley History Magazine*, which is mailed to their members and available on their website. All issues have been full of interesting articles, but the 2013 issue is of particular interest to folks in Fall City, as its two themes—the 1940 Census and the Valley Record—contain many interesting references to Fall City activities. See their website for information: www.snoqualmievalleymuseum.org.
