## Centennial Supplement...another reprint coming!

In 2009, with help from a local volunteer, we scanned all 24 pages of this valuable supplement...full of great photos and family stories! With the assistance of Bill Shaw of Sound Publishing and a group of local sponsors to help cover the cost, 1000 copies were printed for us. And they are almost gone! It is a great handout for folks who are just discovering our local history. Let us know if you'd like one!

With help again from the *Valley Record* and Sound Publishing, another reprinting is now under way. Our sponsors this time around are:

**Gene & Carol Stevens - RiverView Realty**

**The Kevin Hauglie Agency & Farmers Financial Solutions**

**Brown & Sterling - Law Offices and Tax Strategists**

**The Beth Traverso Group - Re/Max Northwest Realtors**

**Carmichael's True Value, Snoqualmie**

*We really appreciate their help in replenishing our supply of this great resource!*

Westward Ho . . . 

### GiveBIG celebrates 10 years of service!

May 6th is the big day this year, and we hope you will take advantage of this Spring focal point to donate to Fall City Historical Society.

We'll be focusing our fundraising this year on building a "nest egg" for much-needed work on the Fall City Hop Shed. Its condition is becoming critical, and matching funds would help with grant possibilities. **Thank you!**

Support for our work from King County Heritage 4Culture is gratefully acknowledged.
