GiveBIG coming...May 4th and 5th

It must be Spring! And a year into COVID time. With our relatively low overhead, all volunteer staff, and wonderful local support, Fall City Historical has not suffered as much as other groups during this year. But we have seriously missed our usual times to be with members and friends. Our tiny office has not been a safe space for volunteers, thus slowing our work. The Community Program NOW&THEN presented via Zoom was successful...we may create other programs in that format this year. We've been delighted to offer the Historic Signs Tour as a safe outdoor educational entertainment! A generous offer by Beth and Mark Traverso to allow displays in the windows of their recently purchased building at 33719 SE Redmond-Fall City Road gave us an opportunity to share some history and a fun Christmas display, as well as a site for our Pop Up Store on a very cold day in December!

We hope you will put **GiveBIG** on your calendar and use this annual event as a simple way to support our work. It would be much appreciated. Early giving begins on April 20.
