We Popped-up!

We were so pleased to welcome almost 300 people during the **Historical Society's Pop-up Museum's** two week run at the library. The room was packed at the gala opening. It was so fun listening to the recollections and stories related to the displays. Special thanks go out to the community members who lent us artifacts to display. Folks listed the gas pump, logging equipment, and fishing rods as favorite artifacts. One person listed Rick Divers! If you noticed you have photos to add to our displays, please forward them to us. We can scan them and get them right back to you. We're always looking to add to our archives of Fall City history.

Cemetery Headstone Cleaning

Join us on **Sunday, May 5th and Sunday, May 19th from noon-3pm** for our next headstone cleaning at the Fall City Cemetery. We have completed the cleaning of Civil War and World War I Veterans' headstones, so now we're moving on to World War II. Bring buckets and rags. We have the special cleaner that safely cleans the old stones. See you there!

Support for our work from King County Heritage 4Culture is gratefully acknowledged.
