Preserving the Stories of Fall City, published in November 2010, was the result of a three-year Memory Book Project undertaken by the Fall City Historical Society and funded in part by King County Heritage 4Culture.

A total of 54 authors are included, with birthdates ranging from 1910 to 1957; about half were born before 1930. Eighteen attended Fall City High School, where the last graduating class was in 1944. Photos and short biographies of all authors are included in the book.

Rediscover this wonderful collection of stories/memories!

Thanks due... to special supporters!

Beth and Mark Traverso

After their purchase of the building at 33719 SE Fall City-Redmond Road, the Traversos were kind enough to allow us to place displays in the windows through Christmas. It was fun to have “the pioneers” out on River Street! They also gave us permission to set up on the sidewalk for our Dec.12th **Holiday Pop Up Store** in front of the building. Thanks to all of you who came by to make it a very successful day!

Board members staff the Store, on a cold but sunny day!

Jay Blucher and Farmhouse Market staff

In addition to selling our calendars each year, Jay has made the “windowsill” space available to us for display and sales of HISTORY IN YOUR HAND items. This generosity makes a huge difference in the amount we are able to earn each year from fundraising sales. Thanks, Jay!

****Historical Society needs additional space**

Our Collections room is over full, mostly because of storing other items in that space. We need an additional storage space for fundraising items, display materials, etc. We would appreciate finding around 150 sq ft or more and would be willing to pay a small monthly fee. Needs to be secure but accessible, ground level, clean, dry, and rodent-free. Please contact us at historylives@fallcityhistorical.org or text to 206-999-2022.

Thank you.

Support for our work from King County Heritage 4Culture is gratefully acknowledged.
