

Sept 3, 2020

Greetings Fall City Businesses and Organizations,

We are living in a very challenging time, and the Fall City Historical Society is interested in understanding how the Covid-19 Pandemic is impacting our community, its businesses and organizations. The effects of this pandemic will be felt for years to come, and as a historical society, we believe it is important to capture the experiences of our community members. Each business and organization will have its own unique challenges, adaptations, and insights to these struggles, and we invite you to participate in this survey to help document the impact.

The Fall City Historical Society will use the survey results in the following possible ways:

- i) Share combined results in newsletter articles, social media and website
- ii) Document stories for future articles ("A Look Back...") in newsletter, social media and website
- iii) Share individual stories, when permission granted, in newsletter articles, social media and website
- iv) 2021 will be the 10-year anniversary of Preserving the Stories of Fall City, the Fall City Memory Book. We may explore a small collection, *Memories of Covid-19* at a later date.

Our intention is to make this survey as easy and as simple as possible. Brief answers are welcome, and we appreciate your time in assisting us with this endeavor to preserve our local history. Responses can be sent by mail or email at the contact information above.

With much appreciation,

Kim Weiss, for the FCHS Board

Business/Organization Name: _____

Person Completing the Survey: _____

Impact to Current Business Operations

Your hardest challenges ? Supply chain problems / staffing levels and work arrangements / new uses of electronic media, work from home and productivity / Phase 2 frustrations / Other
